Re: Request for records pursuant to FOIA

May 8, 2018

Dear Ms. Bush:

The Department of Rehabilitation (DOR) is currently evaluating the information received from the USPS as a result of DOR's April 12, 2018 Freedom of Information Act (FOIA) request (Enclosed: Request for records pursuant to FOIA). Pursuant to the USPS response, DOR was advised that you are the correct point of contact for questions relating to our request.

In your response to our request (Enclosed: FOIA Case No. 2018-FPRO-00751), it was noted the following items were not provided or responded to:

1. A list of post offices in California, staffed with one or more USPS employees;
2. The number of employees in each post office location in California;

We appreciate the fulfillment of our request and ask that you contact me should you have any questions. If you are not the correct person to contact, please provide me the name of the individual that is responsible for handling these requests. I may be reached at the above-address, (916) 558-5349, or [Zachary.Mundy@dor.ca.gov](mailto:Zachary.Mundy@dor.ca.gov).

Sincerely,
