Re: USPS FOIA Case 2018-FPRO-00751

June 15, 2018

Dear Ms. Bush:

Thank you for your prompt response to the Department of Rehabilitation's (DOR) FOIA request of April 12, 2018. In review of the USPS's response, DOR has a few clarifying questions and a follow-up FOIA request.

In the May 14, 2018 response provided (Enclosed: FOIA INFO REQUEST 5-1-18 (FINAL) Mundy (002)), we are unable to determine whether the list of post offices in California included the USPS Distribution Centers, Processing Facilities, Bulk Mailing Facilities, airport locations, or any other USPS facilities that are staffed with one or more persons. If these locations were not included in the list, DOR is requesting that they be provided along with the physical address including the City, State, and County in which they are located. We are also requesting the phone number for each of these sites as well as the postmaster's name and contact information associated with each location.

Additionally, we are requesting the same information as mentioned above (physical address, City, State, County, phone number, and Postmaster name and contact information for the sites provided in the May 14th response to DOR.

We appreciate the fulfillment of our request and clarification and ask that you contact me should you have any questions. I may be reached at the above-address, (916) 558-5349, or Zachary.Mundy@dor.ca.gov.

Sincerely,

Zach Mundy
