

MODIFICATION  
EFFECTIVE SEPTEMBER 27, 2019  
TO  
DECLARATION OF ORDER OF SELECTION FOR  
VOCATIONAL REHABILITATION SERVICES  
ISSUED JUNE 21, 2019

Whereas, on August 18, 1995, the Department of Rehabilitation (Department) first declared that the Department was under Order of Selection for Vocational Rehabilitation Services and determined that no priority categories could then be served, and,

Whereas, on June 21, 2019, as the Department's Director, I declared that projected resources were not adequate to serve all individuals in priority categories defined in California Code of Regulations, title 9, section 7053; and that effective July 1, 2019, resources were adequate to serve individuals in Priority Category One and Priority Category Two who apply on or before June 30, 2020, and individuals in Priority Category Three, who applied on or before June 30, 2017, including individuals who were on the Waiting List at that time, and,

Whereas, the Department has since reviewed projected resources and projected costs for state fiscal year 2019-20, which started July 1, 2019, and ends June 30, 2020, as provided by California Code of Regulations, title 9, section 7052(a) and determined that projected resources are inadequate to serve all individuals but sufficient to serve additional individuals with disabilities, Priority Category Three, who applied on or before August 31, 2019 and have not withdrawn their application or been removed from the Waiting List due to failure to confirm continued interest in receiving vocational rehabilitation services.

Now, therefore, I, Joe Xavier, Director of the Department of

Rehabilitation, declare that effective September 27, 2019, other eligible individuals with disabilities, Priority Category Three, who applied on or before August 31, 2019, including individuals who are current on the Waiting List, shall be served in addition to those individuals declared eligible by Declaration dated June 21, 2019.

Dated: September 27, 2019
